Kind Kimberly wants to learn how to add attendance information to the application.

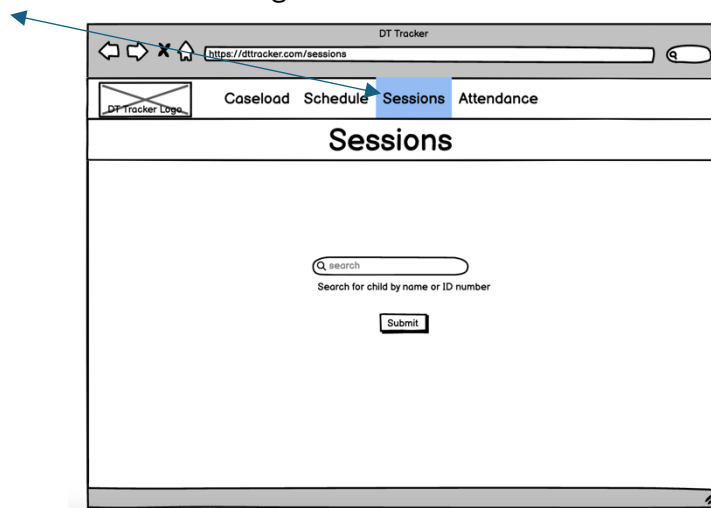

1. Loads the website into the browser.

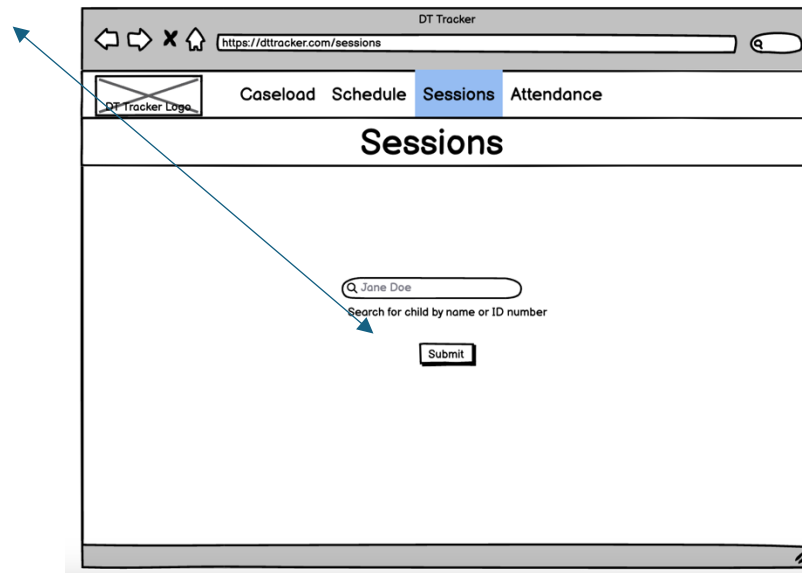

2. Enters login information and clicks 'Submit'.

3. Clicks on 'Sessions' in the navigation bar.

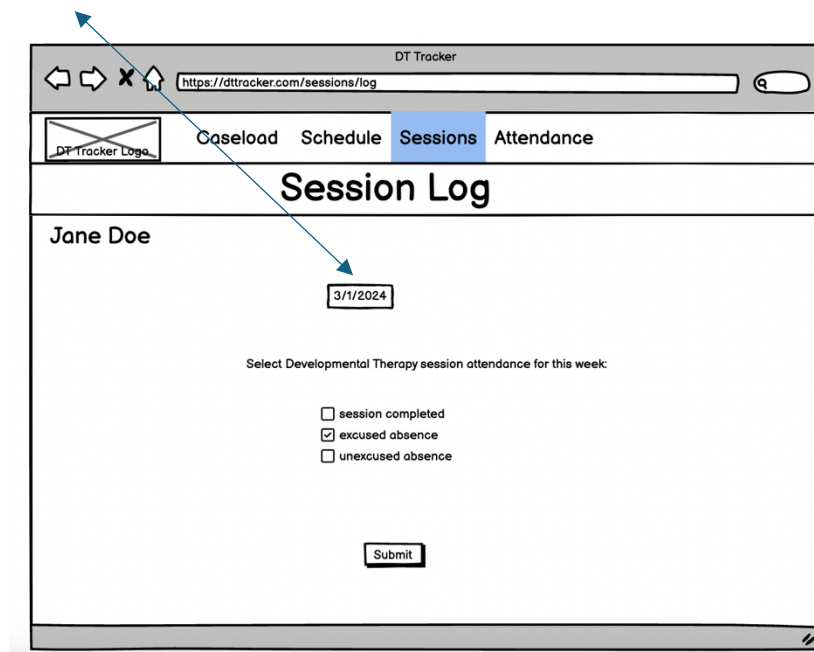

4. Enters the child's name into the search bar and then clicks 'Submit'.

A screenshot of a web browser showing the 'DT Tracker' website. The address bar displays 'https://dttracker.com/sessions'. The navigation menu includes 'Caseload', 'Schedule', 'Sessions' (highlighted), and 'Attendance'. The main heading is 'Sessions'. Below it is a search bar containing 'Jane Doe' and a 'Submit' button. A blue arrow points from the search bar to the 'Submit' button. Another blue arrow points from the 'Submit' button to the 'Sessions' tab in the navigation menu.

5. Is redirected to the 'Session Log' page. Enters the session date into the input box.

A screenshot of a web browser showing the 'DT Tracker' website. The address bar displays 'https://dttracker.com/sessions/log'. The navigation menu includes 'Caseload', 'Schedule', 'Sessions' (highlighted), and 'Attendance'. The main heading is 'Session Log'. Below it is the name 'Jane Doe'. There is a date input box containing '3/1/2024'. Below the date input box is the text 'Select Developmental Therapy session attendance for this week'. There are three checkboxes: 'session completed' (unchecked), 'excused absence' (checked), and 'unexcused absence' (unchecked). A 'Submit' button is at the bottom. A blue arrow points from the date input box to the 'excused absence' checkbox. Another blue arrow points from the 'excused absence' checkbox to the 'Sessions' tab in the navigation menu.

6. Clicks on the box that displays the accurate result of attendance for the session.

The screenshot shows a web browser window titled "DT Tracker" with the URL "https://dttracker.com/sessions/log". The navigation bar includes "Caseload", "Schedule", "Sessions" (highlighted), and "Attendance". The main heading is "Session Log". Below it, the name "Jane Doe" is displayed. A date selector shows "3/1/2024". The instruction "Select Developmental Therapy session attendance for this week:" is followed by three radio button options: "session completed", "excused absence" (which is selected), and "unexcused absence". A "Submit" button is at the bottom. A blue arrow points from the "excused absence" option to the top-left corner of the browser window.

7. Clicks 'Submit'.

This screenshot is identical to the previous one, showing the "DT Tracker" browser window with the "Sessions" tab selected for "Jane Doe" on "3/1/2024". The "excused absence" option is selected. A blue arrow points from the "Submit" button to the top-left corner of the browser window.

8. Receives a success message stating attendance was updated.

The screenshot shows a web browser window titled "DT Tracker" with the URL "https://dttracker.com/sessions/log". The navigation bar includes "Caseload", "Schedule", "Sessions" (highlighted), and "Attendance". The main heading is "Session Log". Below this, the name "Jane Doe" is displayed. A date selector shows "3/1/2024". A success message box states "Attendance has been updated!". Below the message, there are three radio button options: "conflicting appointment", "family no show", and "other". A "Submit" button is located at the bottom right of the form area.

Serious Susie wants to learn how to view previous attendance reports for her total caseload.

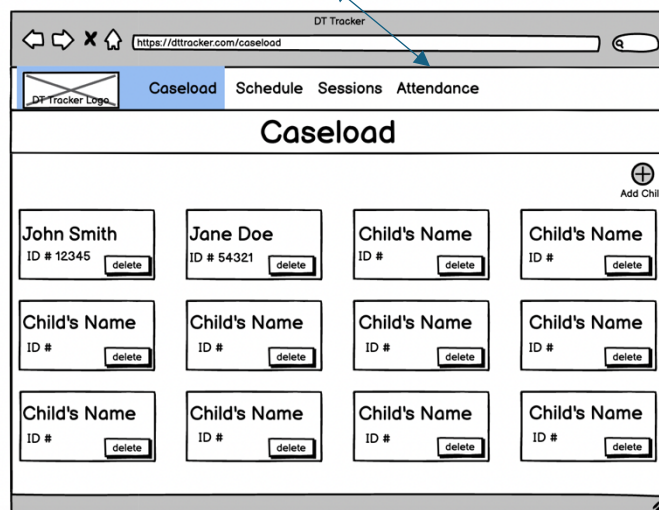

1. Loads the website into the browser.

2. Enters login information and clicks 'Submit'.

3. Clicks on 'Attendance' in the navigation bar.

4. Selects the box beside 'Select total caseload percentage report'.

The screenshot shows the DT Tracker web application interface. The browser address bar displays 'https://dttracker.com/attendance'. The navigation menu includes 'Caseload', 'Schedule', 'Sessions', and 'Attendance', with 'Attendance' being the active tab. The main heading is 'Attendance'. Below the heading, there is a search bar labeled 'search' with the text 'Search for child by name or ID number' and 'or'. A checkbox labeled 'Select total caseload percentage report' is checked. Below this, there is a 'Select report month' section with a date input field showing ' / /' and a calendar icon. A 'Submit' button is at the bottom. A blue arrow points from the instruction text to the checked checkbox.

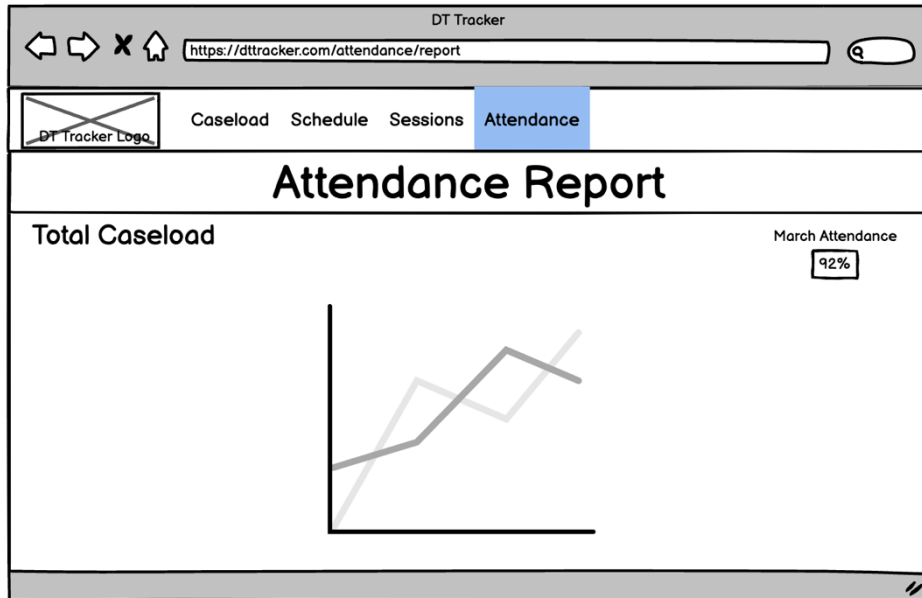

5. Enters the month of desired report within the box that says 'Select report month'.

This screenshot is similar to the previous one, but the date input field in the 'Select report month' section now contains the text '3/2024'. A blue arrow points from the instruction text to this date input field.

6. Clicks 'Submit'

This screenshot is identical to the previous one, showing the '3/2024' date in the report month field. A blue arrow points from the instruction text to the 'Submit' button at the bottom of the form.

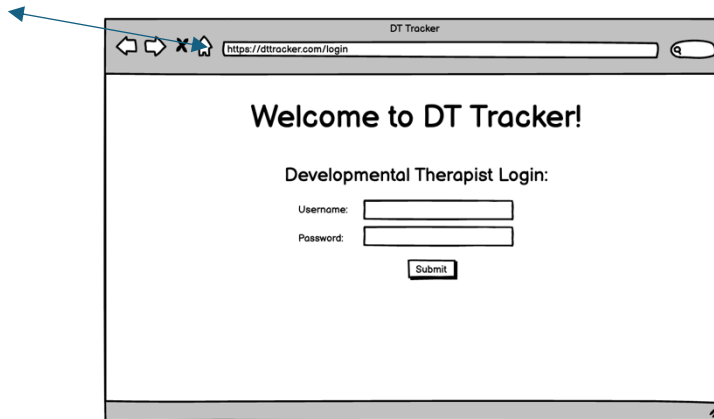

7. Attendance Report for the desired month is displayed.

Joyful Jane wants to learn how to add a new family to her caseload within the application.

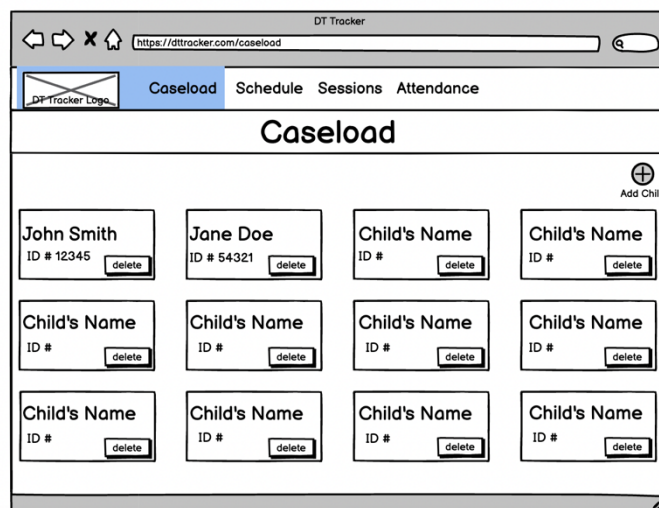

1. Loads the website into the browser.

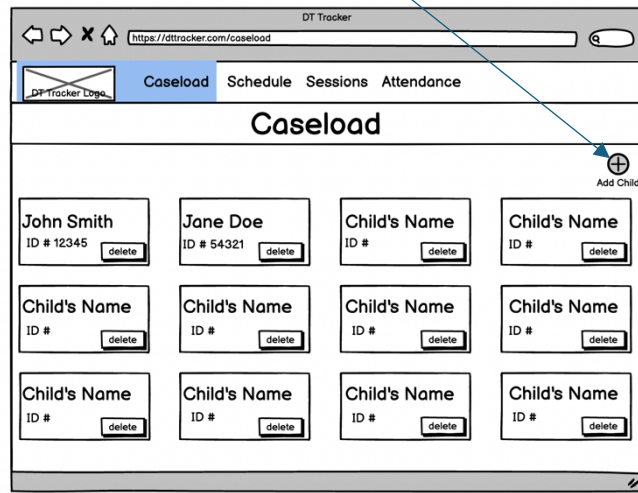

2. Enters login information and clicks 'Submit'.

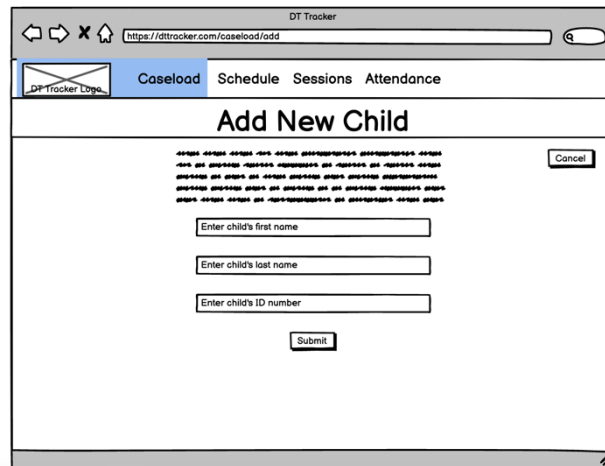

3. Automatically redirected to the 'Caseload' page.

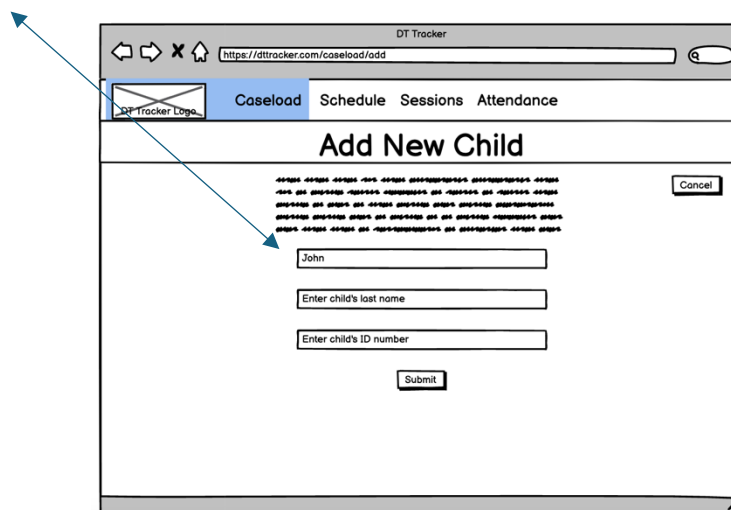

4. Clicks the 'Add Child' button in the top right corner.

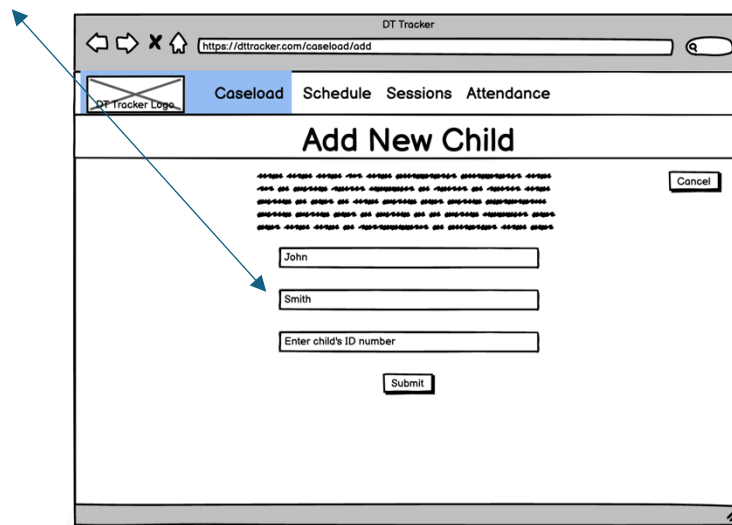

5. Redirected to the 'Add New Child' page.

6. Enters child's first name into the first box.

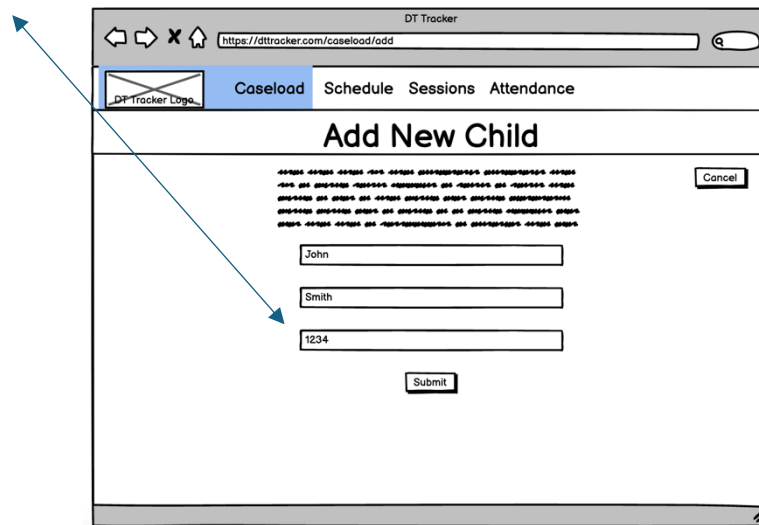

7. Enters child's last name into the second box.

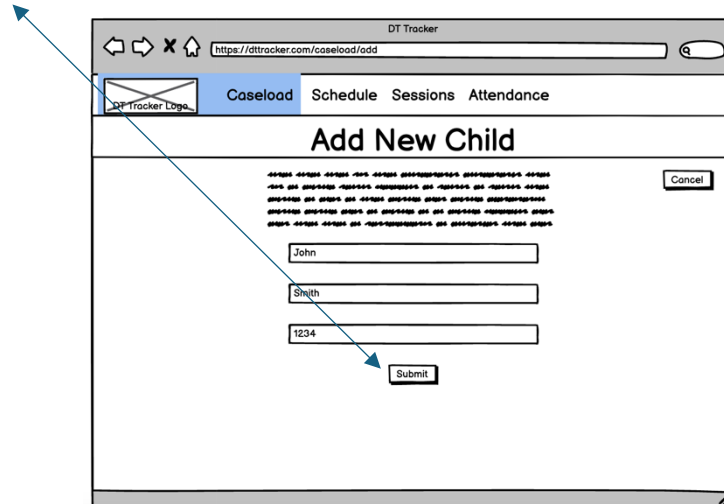

A screenshot of a web browser window titled "DT Tracker" with the URL "https://dttracker.com/caseload/add". The browser has a "DT Tracker Logo" in the top left. The page has a navigation bar with "Caseload", "Schedule", "Sessions", and "Attendance". The main heading is "Add New Child". Below the heading is a "Cancel" button. The form contains three input fields: the first is labeled "John", the second is labeled "Smith", and the third is labeled "Enter child's ID number". A "Submit" button is at the bottom. A blue arrow points from the text "7. Enters child's last name into the second box." to the "Smith" input field.

8. Enter child's ID number into the third box.

A screenshot of the same web browser window. The third input field, labeled "Enter child's ID number", now contains the text "1234". A blue arrow points from the text "8. Enter child's ID number into the third box." to this input field.

9. Clicks the 'Submit' button to add new child.

A screenshot of the same web browser window. A blue arrow points from the text "9. Clicks the 'Submit' button to add new child." to the "Submit" button at the bottom of the form.

10. Receives a message saying the application successfully added the new child.

The screenshot shows a web browser window titled "DT Tracker" with the address bar displaying "https://dttracker.com/caseload/add". The navigation bar includes a "DT Tracker Logo" and tabs for "Caseload", "Schedule", "Sessions", and "Attendance". The main heading is "Add New Child". A central message box states "Child has successfully been added to your caseload!". To the left of this message are three input fields containing "Joh", "Smi", and "123". To the right is a "Cancel" button. Below the message box is a "Submit" button.

Ambitious Amy wants to learn how to view a chart that will display the patterns of reasons for missed absences for her patient, John Smith, in March.

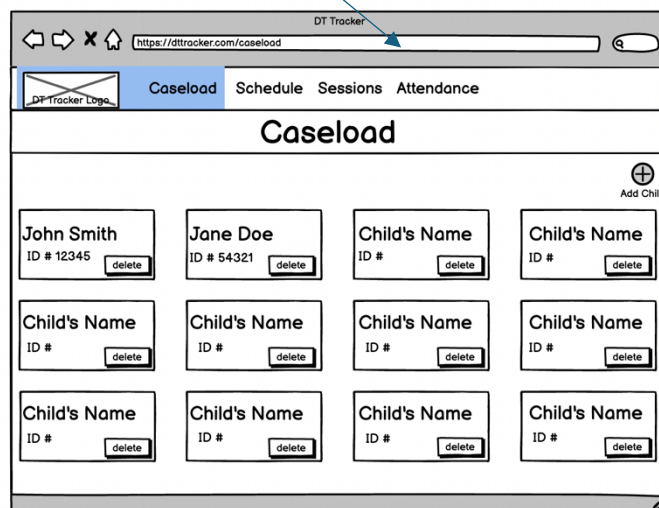

1. Loads the website into the browser.

2. Enters login information and clicks 'Submit'.

3. Clicks on 'Attendance' in the navigation bar.

4. Enters child's name into the search bar.

The screenshot shows the DT Tracker web application interface. The browser's address bar displays 'https://dttracker.com/attendance'. The navigation menu includes 'Caseload', 'Schedule', 'Sessions', and 'Attendance', with 'Attendance' being the active tab. The main heading is 'Attendance'. Below this, there is a search bar containing the text 'John Smith'. Underneath the search bar, the text 'Search for child by name or ID number' is displayed, followed by 'or'. Below this, there is a checkbox labeled 'Select for total caseload report' which is currently unchecked. Further down, the text 'Select report month' is shown, followed by a date selector displaying '3/2024' and a calendar icon. At the bottom, there are two checkboxes: 'Select for percentage report' (unchecked) and 'Select for absences pattern report' (checked). A 'Submit' button is located at the bottom center of the form area. A blue arrow points from the text '4. Enters child's name into the search bar.' to the search bar.

5. Enters the month of desired report.

This screenshot is identical to the previous one, showing the DT Tracker Attendance page. The search bar still contains 'John Smith'. The 'Select for total caseload report' checkbox remains unchecked. The 'Select report month' section shows '3/2024' selected in the date picker. The 'Select for absences pattern report' checkbox is checked. A blue arrow points from the text '5. Enters the month of desired report.' to the date selector.

6. Selects the box beside 'Select for absences pattern report'.

This screenshot is identical to the previous ones, showing the DT Tracker Attendance page. The search bar still contains 'John Smith'. The 'Select for total caseload report' checkbox remains unchecked. The 'Select report month' section shows '3/2024' selected. The 'Select for absences pattern report' checkbox is checked. A blue arrow points from the text '6. Selects the box beside 'Select for absences pattern report'.' to the checked checkbox.

7. Clicks 'Submit' button.
